

PRECISION MINIATURE VERNIER CALIPER

110 SERIES

Standard: DIN 862

- Extra small precision vernier caliper
- Mono-block solid slider model
- 4-way measurement
- Made of hardened stainless steel
- Chromed scale with laser engraved graduations
- The scale shows both mm and inch value
- Measuring surface is micro-lapped
- Highly respected gift for fine mechanical engineers
- Supplied with imitation leather wallet

Code no.	Range	Resolution	Length of jaws (A)
MW110-07	0-70mm	0.05mm	20mm

PRECISION VERNIER CALIPER

110 SERIES

Standard: DIN 862

- High precision vernier caliper
- 4-way measurement
- Mono-block solid slider model
- Made of hardened stainless steel
- Chromed scale with laser engraved graduations
- The scale shows both mm and inch value
- Measuring surface is micro-lapped
- Supplied with imitation leather wallet
- Optional plastic box

Code no.	Range	Resolution	Length of jaws (A)
MW110-15	0-150mm / 0-6"	0.05mm - 1/128"	40mm
MW110-15I	0-150mm / 0-6"	0.02mm - 1/128"	40mm
MW110-20	0-200mm / 0-8"	0.05mm - 0.001"	40mm
MW110-30	0-300mm / 0-12"	0.05mm - 0.001"	40mm

CALIPERS

112 SERIES

HIGH PRECISION VERNIER CALIPER

Standard: DIN 862

- Top model, superior design vernier caliper
- Convex slider shape for easy reading
- 4-way measurement
- Long life guaranteed
- Ultra low friction slider
- Chromed scale with laser engraved graduations
- Hardened up to 58 HRC
- Made of alloyed stainless steel
- Supplied with imitation leather wallet

Code no.	Range	Resolution	Length of jaws (A)
MW112-15	0-150mm / 0-6"	0.05mm - 1/128"	40mm
MW112-15I	0-150mm / 0-6"	0.02mm - 0.001"	40mm

115 SERIES

PRECISION VERNIER CALIPER

Standard: DIN 862

- High precision vernier caliper
- Solid slider model, 4-way measurement
- Made of hardened stainless steel
- Chromed scale with laser engraved graduations
- The scale shows both mm and inch value
- Measuring surface is micro-lapped
- Supplied with imitation leather wallet
- Optional plastic box

TIP!!

Model 115-15L/115-15LI special for left handed users

Code no.	Range	Resolution	Length of jaws (A)
MW115-15	0-150mm / 0-6"	0.05mm - 1/128"	40mm
MW115-15L	0-150mm / 0-6"	0.05mm - 1/128"	40mm
MW115-15I	0-150mm / 0-6"	0.02mm - 0.001"	40mm
MW115-15LI	0-150mm / 0-6"	0.02mm - 0.001"	40mm
